

SOUTH NEWTON ELEMENTARY
A LA CARTE PURCHASES FOR THE BREAKFAST/LUNCH PROGRAM
Kindergarten – 5TH Grade 2015-2016

I _____, give the SNES breakfast/lunch program permission to open my
Parent / Guardian signature
child(ren)s' account to allow a la carte purchases (only 1 form needed per family):

1st students' name

2nd students' name

3rd student's name

Cut and return the top portion to the office.

Keep bottom portion for your information.

All students' accounts are closed to a la carte purchases unless this permission slip is signed & returned. A breakfast tray and/or lunch tray will be the only items that can be purchased using the money on their account unless this signed permission slip is on file.

If your child brings a lunch from home and would like to buy milk or bottled water, they will have to have this permission slip signed and returned because those are considered a la carte items.

Having a signed permission slip on record will unlock your child's lunch account for a la carte purchases. Such as: when purchasing a hot lunch, the student will be allowed to purchase some, or all of the items served that day at the price listed below. The students in Kindergarten – 2nd grade will only be allowed to purchase milk or bottled water as a la carte items using the money from their lunch account. 3rd, 4th & 5th grade students will be allowed to purchase any or all of the a la carte items listed below.. **Once the lunch account is opened to allow a la carte purchases, it will be the responsibility of the parent to make sure their child understands when and what he/she may purchase using his lunch account.** You will not be allowed to specify what items you will allow or what items you will not allow.

Ala Carte prices are:

Milk	\$.50
Entree	\$1.40
Sm. Bottled Water	\$0.50
Veggies	\$.65
Fruit	\$.65

Our school policy is: At no time will anyone be allowed to purchase an a la carte item using their lunch account if they have a negative lunch account balance. Therefore, we strongly encourage you to keep a sufficient amount of money on your child's account to cover any expenses h/she may incur.

All cash or checks need to be in an envelope with the student(s)' first and last name and ID# on the outside. One envelope is sufficient per family, but please list all students' names and ID#s on the front. Money will be posted only to the accounts listed on the envelope.

Everyone must pay the same price for all ala carte items as they are not included in the lunch assistance program. If you wish to open up your child's account to allow a la carte purchases, please sign this form and return it to the office. If you have not sent any additional money to cover the a la carte purchases, please send money with this signed form. For questions, please contact the elementary cafeteria at ext# 350 or Christine Barce, Food Service Director at Ext. # 137.
